

CONSENT TO PARTICIPATE IN RESEARCH

The IGA Institute is asking you to consider taking part in a global study conducted by Professor Dow Scott at Loyola University Chicago. By completing this survey, you will benefit employees by helping managers design pay programs that fairly reward employees and provide a positive work environment.

Because the survey asks you to indicate how you feel about your pay, your manager could react negatively to your response. To avoid this possibility, the survey is **anonymous** (*We will not know who you are*) and the information provided will be **confidential**. No one at IGA, your store or anyone else will have access to the information you provide.

Please read this letter carefully and ask any questions you may have before deciding whether to complete the survey. The survey should take about 15 minutes to complete. We need the name of your store and location so we can combine the information you share with that of other employees at your store.

Participation in this study is voluntary. You do not have to complete the survey. Even if you decide to participate, you are free not to answer any question or to withdraw from participation at any time without penalty.

Contacts and Questions: *If you have questions about this research study, please feel free to contact Professor Scott at dscott@luc.edu or 312.915.6597. If you have questions about your rights as a research participant, you may contact the Compliance Manager in Loyola's Office of Research Services at 773.508.2689.*

Statement of Consent: By checking the “**I accept**” statement indicates that you have read and understood the information provided above, have had an opportunity to ask questions, and agree to participate in this research study. You can copy this letter to keep for your records.

_____ **I accept** _____ **I decline**
